
Brink

CLASSICALLY MODERN

Beautiful lighting illuminates the space in which it resides and is esthetically complimentary like the art on the wall, creating a unique and memorable space.

Brink

CLASSICALLY MODERN

BRINK is a unique cutting-edge lighting solution that transcends the traditional pendant shapes, by utilizing an existing classic design in a reinvented way.

- Washable and antimicrobial Lumenate® shades.
- Lightweight construction.
- Innovative modular design.
- Vast standard option combinations.

Brink is available in four standard sizes, with your choice of an array of finish options, our full selection of Lumenate® shades, and etched white acrylic bottom lenses.

- Square ring shape composed of four obround Lumenate® shades.
- Available in four sizes. 23" x 5", 23" x 8", 34" x 5", and 34" x 8".
- Full selection of Lumenate® shade options.
- Etched white acrylic bottom lenses.
- Straight cable mounting.
- Lightweight construction of aluminum, Lumenate®, and acrylic materials.
- Delivers 1700-2900 lumens with balanced light distribution. Available in your choice of 2700K, 3000K, 3500K, and 4000K color temperatures.

Modified options include Bluetooth wireless dimming, remote emergency battery backup, and a remote mounted power supply. Custom capabilities expand beyond the Modified tier to include increasing or decreasing the number of shades, shade configurations, custom graphics, and more.
