Echo

|ˈekō|

A combination of light and pattern evokes design in an ultramodern way.

Echo Collection

The Echo Collection represents the eye-catching combination of light + geometry + pattern, for an ultramodern look. Creatively illuminate a space with select fixtures such as pendant, sconce, or surface mount, or opt for the full luminaire complement for a seamless look.

Echo Patterns

The Echo Collection offers three unique, contemporary patterns, delivering both illumination and texture to a space.
