Silhouette

Illuminating Every Space, Inside and Out

Our versatile line of contemporary laser-cut sconces enhances any indoor or outdoor space.

Silhouette

Illuminating Every Space, Inside and Out

Our versatile line of contemporary laser-cut LED sconces complements any space and is ideal for all your indoor or outdoor lighting needs. With its modern appearance and clean lines, these water resistant IP65 wall sconces sublimely accent and illuminate your surroundings.

Our outdoor Silhouette blends harmoniously with our interior Silhouette lighting to seamlessly merge indoor/outdoor space. Laser-cut embellished metal panels provide a beautiful light for porch, patio, entryway, balcony, or stairway. Streamlined with a crisp pattern and featuring evenly diffused light.
